I wanted to share an update on my job status after Passing Three Year Diploma in Mechanical Engg from Govt. Polytechnic College Behram. I'm pleased to inform you that I have secured a position as a **Sr. Quality Engineer** at **Jindal Fibers Pvt.Ltd. Ludhiana**.

As a Quality Engineer, my role involves ensuring the quality of products and processes, identifying areas for improvement, and implementing quality control measures. I'm enjoying my responsibilities and working with a talented team.

The job profile includes:

- Conducting Quality control and Quality Assurance
- Conducting inspections and tests
- Analyzing data and identifying trends
- Collaborating with cross-functional teams
- Provide On Job Role training to Manpower on daily basis

i have been also involved in conducting audits for:

- Railway Industry (IRIS,ISO/TS 22163)
- Automotive Industry (IATF 16949)

I'm also happy to share that the compensation package is "₹4.5 L per annum".

I'm enjoying my role and responsibilities, and I'm grateful for the knowledge and skills I gained during my time at GPC Behram. These have been instrumental in my success. I'm confident that my position will continue to challenge me and provide opportunities for growth.

Thank you for your guidance and support during my academic journey.

Best regards,

Pankaj Kumar
